## Holiday Greetings

From all of us at NSIV, we wish you a Happy and Healthy New Year!

## Looking back at 2017

It was quite the year - we moved to a new location on the same floor, set up our new offices and labs, and cut the ribbon in late June - no easy task and one with lots of moving parts. Love our flexible and multi-function new kitchen / conference space - it's been the setting for lots of meetings and events as shown in the photos - a crowd for InnoVentures U, our fall interns from Endicott College who continue to amaze us with the impact of their work, and a few colorful shots of the recent holiday celebrations.

---

## What's next in 2018...

Watch for more news in January - we'll be featuring a company each month and giving you a new brief description of what each company at NSIV is all about. In addition, we'll introduce you to our newest member company, Spectrus, who joined us this month. And because many of you have been with us for a while, we'll continue to brag about our graduate companies as we learn about their newest accomplishments.

Cheers to all as we head into 2018!
